India.

Dear Sir,

I, on behalf of Raosaheb Patil Danve College of Pharmacy, Badnapur, appreciate your endeavor for delivering a valuable talk and would like to express our sincere gratitude for your active participation as a guest speaker on “**Empowering Pharmacy Education through AI and Automation: A strategic Seminar by Neural-Stream**”. Your insightful presentation on “the use of AI-based teaching tools for faculty and AI-chatbots for student queries, support and academic mentoring” was particularly well-received. Your mesmerizing presentation on this interesting topic has not only encouraged the faculty members of our college but also broadened their horizon of knowledge.

Your expertise and engaging delivery were greatly appreciated by the faculty members. We received very positive feedback about your presentation, and we believe your contribution was instrumental in making the seminar a great success.

We value your insights and are grateful for the time and effort you devoted in preparing and delivering your talk. We would be delighted to collaborate with you again in the future.

Thank you once again for your valuable contribution.
